

🌸 Meet Lilah – A Sweetheart in the Making

Maple Lane Lilah was born on April 21, 2023, and is one of our most promising young ladies here at Hartland Oaks. Though still growing, Lilah is destined to become part of our future breeding program — and we couldn't be more excited to watch her blossom.

This MDR-registered jennet is a stunning dark brown and white spotted beauty, currently standing at 28 inches tall. We're hoping she holds just under 30 inches at maturity, keeping her perfectly petite while carrying forward her lovely conformation and temperament.

Lilah is an absolute sweetheart, always the first to walk over for pets, scratches, or just a little company. Her affectionate nature and gentle personality have already made her a farm favorite.

With her gorgeous markings and loving heart, Lilah is a bright part of our future — and a daily joy in the present.
