

Diva's Dazzling Jewel

Born June 15, 2024, Jewel is the sassy, sparkly daughter of MDR-registered Diva—but don't expect a pedigree to define her. This one-of-a-kind farm princess is unregistered, unforgettable, and completely fabulous. Jewel is known for her dazzling personality, playful kicks, and zoomies that could put a racehorse to shame. She even has her *own* children's book—check out *Jewel the Dazzling Donkey* on Amazon! With her big personality and bouncy spirit, Jewel is stealing hearts one hee-haw at a time.
